News will commence later in term 2 and we will send home the dates that students will be presenting. Students will be provided with specific topics or items to bring in to ensure a greater variety in our news telling program.

Toe-by-Toe will commence in week two, with Mrs Fewster and Ms Birch conducting one-on-one sessions three times a week with selected students. This program is to build phonic understanding and develop reading fluency, important skills to build upon during years 2 and 3.

Our "Support-a-reader" volunteers start in week four. We are always looking for additional volunteers to listen to students read, so please let us know if you are available.

If your child will be absent please let us know; write a note, telephone or text ASAP. If you arrive after 9:05 you will need to visit the office before coming to class.

School Values

Be Responsible
Show Respect
Build Relationships

Class Rules

Our rules reflect the Cervantes Primary School's Behaviour Expectations. Students in our class are active participants in choosing the rules to ensure we have a productive learning environment. These rules link closely to our school values.

Behaviour Management

Each student has their own peg which will be placed on the traffic light. When students are on the green light and demonstrate good behaviour they receive a faction tick on their chart.

Students will also earn stickers for showing improvement in learning and demonstrating our school values. Each time the students earn 10 stickers they receive a reward.

Poor behaviour choices result in students moving their pegs down the traffic light chart. This clearly shows students how close they are to losing Golden Time as they have a visual warning. Once they are on the red light they lose their first 5 minutes. Continued poor choices result in further Golden Time losses. Students are given ample opportunity to earn their time back and work their way up the traffic light chart.

Keeping Healthy

Please remember to have healthy options in lunch boxes.

We have 'Crunch n Sip' in the afternoon and students are able to have a fruit, or vegetable snack. Please ensure food is pre-cut for students where necessary. Thursday is apple slinky day.

We ask that you check regularly for head lice. If your child has nits please treat diligently and inform the school so we can check other students. Mrs Dennis does regular headlice checks according to our school policy.

All homework is handed out on a Friday and is due back Friday morning, before school the following week.

Sharing

While we encourage students to share their stories we discourage them bringing personal belongings to school because we would hate to see them lost or broken.

If your child wishes to share a birthday cake with the class please organise a suitable time with the teacher.

Communication

We are using seesaw as our main form of communication. If you would like to contact us you are able to do so privately using seesaw or you can email us.

Urgent messages should go through the office to ensure we receive them promptly.

Book exchanges and homework questions keep us busy most mornings, so for lengthy discussions on personal matters we would prefer to speak with you in person at a time suitable to us both.
