PE - Moving our body and Understanding movement.

Humanities – Personal History and Celebrations

Science – Biological and Chemical Science

T&E – Food and Fibre

If your child will be absent, please let us know; write a note, telephone or text ASAP.

## School Values

Be Responsible  
Show Respect  
Build Relationships

## Behaviour Ladder

I use a variety of positive reinforcement techniques in the classroom including verbal praise, Behaviour Ladder, faction points, stickers and stamps.

Any display of positive behaviour will be rewarded through moving their peg up the Behaviour Ladder. At the end of the day, students who remain on the 'Ready to Learn' status or have moved up the ladder will receive a tick on their faction card. Students who reach the 'Super Student' status at the top of the ladder will receive a prize from the class prize box.

However, any display of inappropriate behaviour means the student moves their peg down the ladder and will not receive a faction point. Students who move to the bottom of the ladder lose Golden Time in increments of 5 minutes.

**Students must have a spare set of underwear and clothes in their bags for any accidents.**

## Keeping Healthy

Students in the Junior Class need to bring a piece of fruit to share for Crunch & Sip. Please ensure that your child has a piece of fruit each day, as *all* children share the fruit platters.

Please remember to have healthy options in lunchboxes for morning tea. Some ideas include fruit & vegetables, cheese, crackers, dried fruit or popcorn.

## Communication

Each student will have a Seesaw account. I will do my best to communicate with you on a regular basis and I welcome any notes from family through the app. It is difficult to give you my undivided attention at the beginning of the day, so I would appreciate it if we can make a time to meet after school.

## Parent Volunteers

Parents are welcome to put their name on the roster each term to help in the classroom. You will find the Parent Help Roster inside the door. Please add your name on a day you wish to volunteer from 9.05am – 10.45am.

Please be prepared to help with; cutting fruit, doing the dishes, assist with any prep needed for the children's activities, or work with a small group of children.

## Homework

K & PP Students will receive a reading book from the Library. Each book will have a card with instructions to guide the student through the book over the course of a week. When I feel your child is ready for further extension I will notify you and change the home reading programme.

PP Students will receive a homework book with their weekly letter sounds. They will have these for one week. Each child will be given a Buzzy Bee Day. On this day your child will return their folder and be tested on their letters. When they are confident with the letters they will be given a new set. When they are ready, your child will be given sight words.

## Sharing

While we encourage students to share their stories we discourage them bringing personal belongings to school because we would hate to see them lost or broken.

If your child wishes to celebrate a birthday with the class feel free, to bring in a cake, cupcakes or any treats. Please be aware that we have children with food allergies, so please come and see me prior to bringing anything in.

Also, please hand out any birthday invitations outside the class after school, as this can be upsetting for those students not invited.

If you are running late or someone other than yourself is collecting your child please call the classroom on 9688 5000.

If you arrive at school at 9:05 or later you will need to visit the office before going into class.
