By the time this newsletter reaches you I will be in Tokyo. The weather was looking very cool with an average of 15 degrees, but I am hoping that we get to see the cherry blossoms as planned. I look forward to sharing my adventure and learnings with the students after the holidays.

Mrs Radford and Mrs Griffith are leading the school this week.

END OF TERM REWARD

An invitation and permission form will come home with students today for the Pool Party. Due to the Easter holidays starting Friday we will be celebrating the students with 'Good Standing' on Wednesday.

JUNIOR CLASS

This week the junior class celebrated harmony day! They were learning about the word "inclusive" and discussed how everybody belongs and has a place in this country. They loved learning about it and enjoyed doing some craft.

MIDDLE CLASS

The Year 3's participated in an Interschool Cricket Competition last week in Jurien Bay. They participated alongside the Senior Class students in mixed teams. They all really enjoyed the day. While they were playing cricket, the Year 2's completed STEM (Science, Technology, Engineering and Mathematics) activities. They built bird nests that could keep an egg safe and a foil boat to measure how many tubs of counters it could hold before sinking. They also created a tall tower made from pasta and marshmallows.

SENIOR CLASS

On Monday three of the four Year Six students attended the GRIP Leadership conference at the Convention Centre in Perth. They learned the role of a leader and ways to make changes to benefit their schools. The presenters were very entertaining and helped the students learn through games and watching video clips of other primary school students putting the skills into practice. We managed to get in a walk around Elizabeth Quay and a gelato in our lunch break. It was a big day with an early start but we all agreed it was well worth it.
